

VIMLESH KUMAR

Procure-to-Pay (P2P) | Accounts Payable Analyst

Call: 9651689902 | Vimleshsee@gmail.com | Aali Vihar, Bheem Colony, Sarita Vihar, New Delhi - 110076 | [linkedin.com/in/apvimlesh](https://www.linkedin.com/in/apvimlesh)

PROFESSIONAL SUMMARY

Accounts Payable and Procure-to-Pay (P2P) professional with 5 years of experience across supplier master data management, PO/Non-PO invoice validation, vendor and bank reconciliation, and month-end financial close. Hands-on experience with PeopleSoft and NetSuite, with working knowledge of SAP AP transaction codes, 2-way/3-way matching, and payment processing. Consistently processes 500+ invoices per month at 99% accuracy while meeting SLA targets. Recognized for improving operational efficiency, reducing error rates, and strengthening vendor relationships across UK, US, and Europe-based finance operations.

PROFESSIONAL EXPERIENCE

Procure-to-Pay (P2P) Operations Associate | Accenture Solutions Pvt. Ltd. Oct 2023 – Present

Noida, India (US Shift)

- ▶ Manage end-to-end Supplier Data Management, including creation, modification, and maintenance of supplier master records in the ERP system, ensuring accuracy and policy compliance.
- ▶ Process 500+ PO and Non-PO invoices per month with 99% accuracy while consistently meeting SLA targets.
- ▶ Perform supplier document validation prior to onboarding or updates to ensure compliance with company policies.
- ▶ Resolve supplier and internal team queries within SLA via email, strengthening vendor relationships and response efficiency.
- ▶ Coordinate with cross-functional teams on payment processing to ensure timely and accurate disbursements.
- ▶ Generate monthly ageing, reconciliation, and financial reports supporting month-end closing; drove a 15% reduction in error rates through AP process improvements.

Senior Finance Executive | IDC Technologies Solutions India Pvt. Ltd.

May 2022 – Sep 2023

Noida, India (UK & US Shift)

- ▶ Validated and posted PO and Non-PO invoices into NetSuite accounting books with high accuracy.
- ▶ Reviewed journal entries submitted by sales and purchase teams, covering direct and indirect expenses, for financial accuracy.
- ▶ Performed bank reconciliations for UK and Europe-based entities, achieving zero unreconciled items at month-end.
- ▶ Conducted vendor and customer reconciliations, proactively resolving outstanding discrepancies.
- ▶ Prepared sales and purchase reports with cost-vs-revenue analysis to support management decision-making.

Service Account Officer | Panasonic India Pvt. Ltd. (via KBG Services Pvt. Ltd.) Jun 2021 – May 2022

Gurugram, India (Day Shift)

- ▶ Handled daily email communication related to finance, invoices, and vendor queries, maintaining high response quality.
- ▶ Performed invoice verification and validation to ensure accuracy and compliance before processing payments.
- ▶ Managed vendor payment processing and ensured timely resolution of payment issues and escalations.
- ▶ Conducted regular vendor account reconciliations to maintain accurate and up-to-date financial records.
- ▶ Reviewed and analyzed vendors, customers, and general ledger (GL) line items for accuracy and financial correctness.
